PROFESSIONAL SUMMARY

Social media manager and content strategist with 3+ years building content strategy, community management, and paid advertising systems across TikTok, Facebook, Instagram, and YouTube for automotive, education, energy, and nonprofit brands. Repositioned an automotive client around an untapped “educational authority” angle, generating 604,000+ TikTok views and 50% follower growth, while co-managing ₦300,000+ in Meta and TikTok ad budgets that produced 30+ qualified leads. Applies AI tools (Claude, Lovable, Base44, Zapier) to build websites, automate workflows, and accelerate content production — comfortable owning a brand's digital presence end-to-end, from strategy through execution and reporting.

PROFESSIONAL EXPERIENCE

Freelance Social Media Manager & Content Strategist — Digital J Agency, Warri, Nigeria *Apr 2023 – Present*

Run an independent digital practice serving automotive, education, energy, and nonprofit clients across Nigeria — owning strategy, content production, paid advertising, community management, and reporting end-to-end. Selected client engagements:

Social Media Manager · Chibest Autos — Automotive, Lagos *Apr 2026 – Present*

- Repositioned the brand's content strategy around an “educational automotive authority” angle after identifying that competitors relied on visual branding alone rather than building buyer trust
- Rebuilt the content calendar, scripting, and editing approach, growing TikTok from 3,000 to 4,500+ followers and generating 604,300+ video views
- Co-manage ₦300,000+ in Meta and TikTok ad spend with a paid media specialist, generating 30+ qualified leads
- Built and run a structured community management protocol across Facebook, Instagram, and TikTok, driving 24,300+ profile visits and 36,900+ likes

Head of Digital & Community Management · My Journey Inc. (MJI) — Nonprofit *Apr 2023 – Present*

- Lead digital presence on a 3+ year retainer, building Facebook from zero to 740 followers with 165,600+ views and YouTube to 229 subscribers with 12,100+ views and 181+ watch hours
- Design and produce AI-generated marketing assets — flyers, campaign creatives, thumbnails, and product visuals — for ongoing campaigns and events
- Leading the build of the organization's website using AI-assisted development tools (Lovable, Claude Code, Base44, Vercel)

Social Media Manager · Winx Global — LPG / Energy *Oct 2025 – Present*

- Manage end-to-end social operations — content creation, graphic design, strategy, and weekly performance reporting — on a consistent 3-posts-per-week cadence
- Grew TikTok presence to 1,576 likes and 179 followers within the first two months, fully organic with zero ad spend

ADDITIONAL CLIENT ENGAGEMENTS

Social Media Manager • Richland Schools — Education

Jul 2025 – Mar 2026

- Owned the full content pipeline — sourcing, shooting, editing, captioning, publishing — growing the school's Facebook page to 225 followers with 23,800+ views and 1,216 engagements from a standing start

YouTube Channel Manager • A New Song

Feb 2025 – Oct 2025

- Identified and tested a content format that achieved 1,000+ views per video against a 100–200 channel average — a 5–10x performance improvement

Social Media & Content Manager • DataFluent Academy — Online Education

May 2025 – Apr 2026

- Managed content creation, social media presence, and design assets for an online education brand

Content Strategist • Hanging Garden — Business Community

Jun 2025 – Present

- Develop content strategy and paid advertising plans for a private business development and mentorship community

VOLUNTEER EXPERIENCE

Design & Operations Volunteer • Transform Our World Nigeria — NGO
